1 About the Department

The State has prepared its Environmental Policy within the basic framework of economic and social priorities with the objective of ensuring environmental conservation without impeding any development imperatives. It is aimed at:

- Ensuring sustainable development with an emphasis on social and intergenerational equity
- Enhancing environmental performance as a means of competitive advantage for the State
- Improving the quality of life of citizens.

The department has identified following services to be available online for the ease of investors, for improving ease of doing business in the state:

1. Consent to Establish under Water (Prevention and Control of Pollution) Act, 1974
2. Consent to Establish under Air (Prevention and Control of Pollution) Act, 1981
3. Consent to Operate under Water (Prevention and Control of Pollution) Act, 1974
4. Consent to Operate under Air (Prevention and Control of Pollution) Act, 1981
5. Authorization under Hazardous Waste (Management and Handling) Rules, 1989
6. Renewals of Consent to establish (under Water Act & Air Act)
7. Renewals of Consent to operate (under Water Act & Air Act)
8. Renewal of Authorization under Hazardous Waste

The above services are available online on the departmental website <http://cgocmms.nic.in/> . The other services apart from listed above will be provided as it is by the department.

The user guide contains below information regarding **Consent to Operate under Air (Prevention and Control of Pollution) Act, 1981**:

1. General guidelines for Users: Who needs to fill optional/compulsory
2. Complete list of documents required
3. Stepwise process and timeline for online registration of Users
4. Download of the certificates
5. Sample application forms in annexure
6. Self certification

Reference	http://www.enviscecb.org/orders/Time%20limit%20for%20disposal%20of%20cases.pdf http://www.enviscecb.org/orders/Period%20of%20renewal%20for%20different%20categories%20of%20industries.pdf

1.1.2 Documents required to complete the application

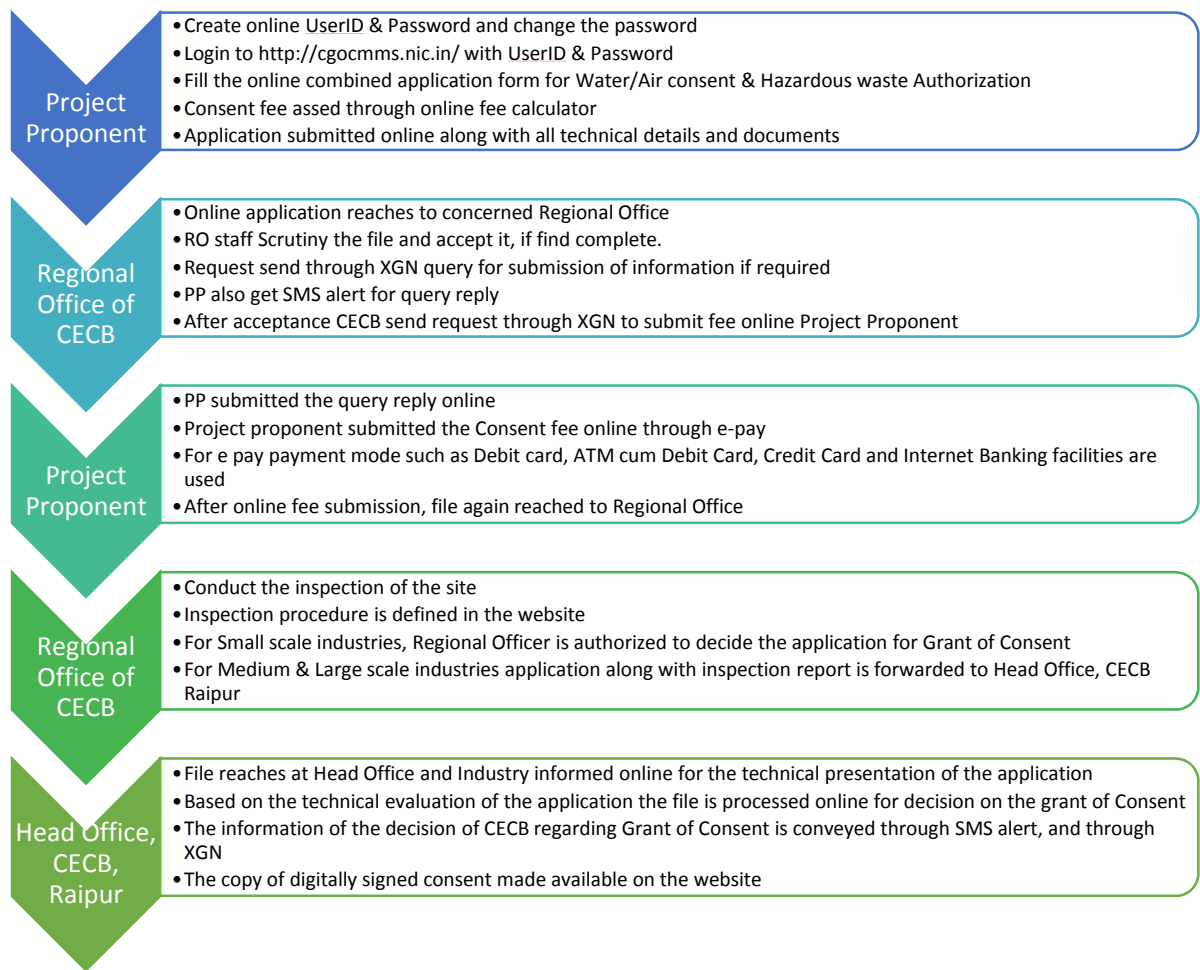

1. Information on Compliance of Conditions Mentioned in CTE
2. Total gross capital investment duly certified by C.A. as on date/Last financial year.

1.1.3 Stepwise process and timeline for online registration of Users

Timeline

Status of application	Timeline
Issue of Final certificate	Within 60 days of submission of application
Generation of Inspection report	After 48 hours of inspection by officer from website

Stepwise Process

1. Open Online Consent Management & Monitoring System Website <http://cgocmms.nic.in/>.

How to Register:

- a. For New Industry: Click “New Industry Registration”

The “Registration Form” is to be filled to get ID & Password.

- b. For Existing Industry: Please go to Step 2

2. Log in With your ID and Password:

- a. For log in select Industrial Login radio button, then give your ID & Password and click “Login Button”
- b. If you are logging in for the first time, you will get a window to change the password. Please change the password and proceed further.
- c. After login the following page will appear:

3. To Apply for CTO: Click on “Apply for Operate” menu

- a. If you want to apply “Consent to Operate” for new consent then Select CTO > Air > New option.

- b. If you want to apply “Consent to Operate” for Expansion of capacity then Select CTO > Air > Expansion option.

The screenshot shows a web form titled "Apply For Consent". It contains four rows of radio button options and a text input field. The first row is "Consent Type*" with "CTE" selected and "CTO" unselected. The second row is "Consent For*" with "Air" unselected, "Water" unselected, and "Both" selected. The third row is "Application For*" with "New" unselected, "Modernization" unselected, and "Expansion" selected. The fourth row is "Previous Application Number:" followed by an empty text input box. Below the form is a blue "Next" button.

- c. If you want to apply “Consent to Operate” for Modernization then Select CTO > Air > Modernization option.

The screenshot shows a web form titled "Apply For Consent". It contains four rows of radio button options and a text input field. The first row is "Consent Type*" with "CTE" selected and "CTO" unselected. The second row is "Consent For*" with "Air" unselected, "Water" unselected, and "Both" selected. The third row is "Application For*" with "New" unselected, "Modernization" selected, and "Expansion" unselected. The fourth row is "Previous Application Number:" followed by an empty text input box. Below the form is a blue "Next" button.

4. After selecting next, the following screen will appear:
