

Replies to queries regarding CANMS

RFP No: 01/HO/CECB/SCI/CANMS/E-Tender/2021-22 floated on 11.10. 2021, 8 PM

Name of Person/s and organisation	Raised on	Queries	Reply from CECB, Nava Raipur Atal Nagar
Bobby Chandel, Finsen Ritter Technologies Pvt Ltd, Indore (M.P.); bobby@finsenritter.com	18.10.2021	1. How much does this project cost in total?	Non disclosable
		2. How many quantities of the systems will there be?	4, vide Annexure XIII
		3. Will we be able to accept such projects as work orders in the future?	Work orders should be for current projects.
		4. What is MSME's take on EMD?	EMD exception is not allowed
		5. What will be the scope of the installation, i.e., we will only provide 10 metres of cable from our system, and please specify the electrical connections as well.	Installation including electrical connection from reasonable distance is in Vendor's scope.
		6. Can you explain point 17 in the noise monitoring terminal's general specifications? (52.3)... You state that there will be two input ports, therefore which type of port do you require?	These are two input channels not ports.
Mr. Manjul Pandey/Mr. Pratik Shah., Biswajit Roy M/s. ACOEM ECOTECH INDUSTRIES PVT LTD., PlotNo. 57, Sector II, Dist: Dhar, Pithampur, Madhya Pradesh, 454775	19.10.2021	1. 5- Key requirements of Bid 5.2.1- Method of Tender fee payment (Pg No. 18); Kindly confirm if EMD & Tender document fee to be transferred through NEFT/RTGS mode in addition to submission in form of DD. 	<p>4. 24 - Contract performance Security 24.1- Payment of Contract performance Security (Pg 28); The supplier within thirty (30) days from the date of notification of award shall furnish a refundable Performance Bank Guarantee from a reputed Indian or Foreign Commercial bank having license to do business in India to the Board as a guarantee of performance for an amount equal to ten (10) percent of the total Price under the contract for faithful and due fulfilment of all obligations under the terms and conditions of the Contract.; Please consider revised Performance security as per latest GOI Notification No. F.9/4/2020-PPD dtd: 12/11/2020. (Notification Attached). On account of slowdown in economy due to the pandemic and there is acute financial crunch among many commercial entities and contractors, which in turn is affecting timely execution of the contracts. The Government of India considering many representations and based on that have revised the requirement of Performance security deposit through a order no. No. F.9/4/2020-PPD dtd: 12/11/2020 to 3% for all existing 5% to 10% requirements. Requested to please clarify & confirm the applicability of this order to this tender.</p>	<p>Reduced Performance security in the tune of 3% of the value of the contract as per the Office Memorandum no. F.9/4/2020-PPD issued by the Procurement Policy Division, Department of Expenditure, Ministry of Finance, Government of India on 12th November 2020 shall be applicable.</p>
	<p>5. 25 . Time for delivery & Installation (pg 29); Delivery and installation must be completed within 2 months from date of placement of order/acceptance of order.; The delivery period of supplies provided in tender as 02 months from date of placement of order may be insufficient considering the project being of large scale turnkey nature, and also considering the current Pandemic Situation in India and Overseas the delivery date stipulated in tender to complete the supplies within the 2 months time is practically non-feasible. Hence requested to please consider the delivery as 5 Months from date of P.O.</p>	<p>A time period of three months from the date of issuance of the Work Order shall be provided.</p>
	<p>6. 27. Liquidated Damages (pg 29); 27.2 The supplier shall pay to the Board as liquidated damage a sum equivalent to one (1) percent of the unit price in the Contract Price for each of the equipment undelivered per week delayed; 27.3 Maximum deduction for the total liquidated damages payable to the Board shall not in any case exceed ten (10) percent of the contract value.; Requested to please consider the standard rate of Liquidated Damages applicable to such Noise monitoring Stations tender and followed by other PCB's and Govt organisations. The standard rates are 0.5% per week on undelivered portion or part thereof, to maximum 5% of the supply value. Please confirm.</p>	<p>The figures and conditions mentioned in clause 27 shall remain in force.</p>

	<p>7. 12 - COMPREHENSIVE ANNUAL MAINTENANCE CONTRACT (CAMC) AND PAYMENT CONDITIONS (pg 24); 12.1 - CAMC / O&M</p> <p>Vendor must quote for the CAMC separately. Vendor will be responsible for communication of data generated from remote stations to central receiving station and other nodes during warranty and CAMC period. Bidder will be responsible for O&M of the instrument. Bidder, therefore, must quote for CAMC for 5 years along with their offer which will start after expiry of 3 year warranty.; To upkeep the quality of CAMC/ O&M, it is requested to please consider Quoted cost for CAMC/ O&M of a Real Time Ambient Noise Monitoring Station should be in range between 12% to 18% (ceiling price) against total capital cost of Initial supply, installation & commissioning of each station and it should be in ascending order during the entire period of contract i.e. 05 years with the objective to maintain the quality of operation, which is presently followed by other PCB for similar Noise monitoring stations tenders.</p> <p>Kindly confirm.</p>	<p>Vendor to quote for CAMC as per their estimation of cost including year on year escalation factor.</p>
